### PROFILE

About 2 years ago I became interested in web development, so I started learning online. I am self-driven, flexible, highly motivated and excited to learn new technologies. I enjoy learning process and admire clever solutions programmers come up with.

### WORK

#### FABRIKA REZNOG ALATA, ČAČAK SERBIA

• CNC Operater • Jun, 2020 - present  
- Tools production, quality assurance.

#### AJDAČA ALATI, ČAČAK SERBIA

• CNC Operater • Sep 2017 - Jan 2020  
- Ajdača alati is a company engaged in the production and maintenance of tools in which I work as an operator on CNC machines.
